

## Juno SlimBasics™ LED Surface Mount Downlight

Sleek, low-profile LED round surface mount downlights

The economical Juno SlimBasics surface mount downlight in 5" and 7" delivers uniform light coverage with a discreet footprint. Evenly spaced LEDs and an attractive frosted lens virtually eliminate pesky shadows and dark spots, even when fully dimmed. The Juno SlimBasics is specially designed for residential and light commercial applications including multi-family and hospitality ideal for corridors, foyers, flexible living spaces, closets, hallways, pantries, stairways, mudrooms, and much more.

# Juno® LED Surface Mount Portfolio

The Juno SlimBasics features a clean, modern design and an unobtrusive, low-profile metal housing in a white finish. These energy efficient LEDs provide long life and maximum cost savings, and are available in 3000K and 4000K LED color temperatures. The Juno SlimBasics is sold in 4-packs with recyclable, environmentally friendly packaging. **Check out the Juno LED Surface Mount Portfolio offering below.**
