Emergency LED Running Man Signs

## Emergency Lighting for All Languages

The LXRM and EARM Running Man Signs by Lithonia Lighting® are high-performing LED fixtures with directional “Running Man” face plates. These fixtures safely identify all exits and provide a minimum of 90-minutes of illumination upon the loss of AC power. The modern steel and aluminum housings are sleek, clean, and durable. Don’t let translation be a barrier to safely exiting any building.

### Features and Benefits:

- Single or double-sided signs
- Top, side or back mounting
- Standard and arrow panels included
- Automatically performs monthly and annual testing with self-diagnostic option
- Quick installation
