Products: 8200 Monochromatic Blue, MVOLT, Horizontal Flood, Yoke Mount | Hyline501 Monochromatic Blue, 4FT, Wall Wash, Adjustable Mount Side Hinge, 0-10V

High Visual Impact

The chic Hyline501 linear accent floodlight offers superior optical performance, efficacy, and design flexibility in the smallest of profiles. The surface mount luminaire provides a range of optics and color temperatures from 2700K to 5000K to graze and wash architectural applications for an evolutionary experience.

Precision Optics

With rigid construction and updated form ensuring no water intrusion, this compact architectural linear accent provides optimal performance.

RGBW

Create show-stopping architectural elements or subtle ambiance with the right amount of light.

Static White

Make a dramatic architectural effect or highlight artwork with punchy white lighting or a smooth glow.

Monochromatic Color

Turn each design into a success with pure, high-intensity mono-chromatic color that packs a punch.

Tunable White

Easily tune your whites throughout the day with adjustable color temperature and intensity - enhancing architecture and elevating aesthetics.

Warm Dim

Bring the right mood to your environment and change landscapes when needed with Warm Dim technology.

Hyline501 Static White, Continuous Run, 4000K, 300 lumens per foot

Hyline501 Monochromatic Blue, 3500K, Wall Wash, 300 lumens per foot
Hyline501 Static White, Direct View Lens, 3500K 300 lumens per foot
Mounting Accessories
