

Compact Pro™ CPHB LED High Bay

Save Time. Save Money.
Without Compromising Quality.

The Compact Pro High Bay by Lithonia Lighting® is the budget-oriented high bay designed for contractors from the ground up. It's the most compact high bay on the market, making it easier and quicker to install. Built with quality to last and performance to get the job done. At the price you need to win!

Features & Benefits:

- **9,000 to 60,000 Lumens**
- **Ultra Compact** - Up to 50% smaller than the typical high bay
- **Contractor Friendly Design** - Up to 30% faster installation and cleanup
- **Glare Control Lens** - minimizes glare & enables exceptional efficiency
- **Sturdy and Robust** – Extruded aluminum design
- **Up to 55C°** True-Tested ambient operation
- **MVOLT/HVOLT/UVOLT**
- **Control Options** - Integrated nLight® AIR controls or Field-Installable SensorSwitch™ Twist-to-Lock (TLS) Sensors

Half the Size. All the Lighting Performance.

Compact Pro optics deliver true 1:1 matching performance to larger high bays
