

VCM8

COMPLEMENTING CORNERS

IK10

IP65

VANDAL RESISTANT

TURN A CORNER

The IP65-rated corner mount VCM8 complements the vandal-resistant Vision (VPF) family. For strength, an IK10 rating, an all-aluminum, ligature-resistant construction, and a polycarbonate lens. For longevity, a highly durable finish that withstands a 4,000-hour salt spray test. Complete with a lifetime warranty against vandalism, VCM8 withstands physical impact and environmental abuse.

DURABILITY WITH DESIGN

VCM8 has soft edges combined with a robust construction that allows designers to complement industrial settings.

- Ceiling, pendant, and wall mount options
- 2 ft., 3 ft., and 4 ft. lengths
- Black, bronze, gray, silver, and white standard finishes, with optional custom colors
- 2700K, 3000K, 3500K, 4000K and 5000K color temperatures at 82 CRI

347V**

**130,000 HOUR LIFE
AT 50° C**

0-10V DIMMING (DV)

**BEHIND-THE-LENS MICROWAVE
OCCUPANCY SENSOR**

**RED OR AMBER NIGHT LIGHT
OPTIONS**

A wide-angle photograph of a modern indoor swimming pool. The pool is filled with blue water, marked with red and white lane lines. In the foreground, three white starting blocks are visible, numbered 7, 8, and 9. The pool is surrounded by grey concrete decking. In the background, there are rows of black bleachers on the left and right sides. The ceiling is high with a complex steel truss structure and several large skylights. On the far wall, there are four championship banners hanging from the ceiling, and a small television screen is mounted on the wall. The overall atmosphere is clean and professional.

COMBAT CORROSION

With its IP65 rating, VCM8 is a powerful design asset for high abuse environments such as natatoriums.

Lifetime warranty. Luminaire LED will repair or replace any fixture damaged due to vandalism for the lifetime of the installation.

WITHSTAND WET LOCATIONS

Using a highly-durable powdercoat finish that withstands a 4,000-hour salt spray test, the IP65-rated VCM8 is ideal for wet locations.
