

E Series LED Downlight Retrofit Trims with Switchable White

Experience the ultimate 5-in-1 solution

JUNO[®]

Flexibility at your fingertips

E Series LED recessed modules from Juno® offer an optimal value for a variety of residential and light commercial applications. With aperture sizes in both 4" and 5 5/8", E Series provides easy retrofitting from below the ceiling and can be paired with a recessed housing for new construction applications. The switchable white feature offers flexibility for lighting a space to the desired color temperature with the integrated switch.

4" and 5 5/8" Trim Insert Options

Designer color finish trim inserts to enhance the aesthetics of any room.
