

# Decorative Aluminum Poles

Rapid Ship Solutions

# Decorative poles from Holophane can save you time and money

You may already know how decorative poles from Holophane can enhance and beautify your town, streetscape or campus project. But did you know that choosing cast aluminum poles can provide you significant time and cost savings?

That's right, the wide portfolio of cast aluminum products manufactured in our Matamoros facility offer the industry's shortest lead times which can help you get new poles or replace downed poles in a much faster and cost-effective manner. With a vertically integrated manufacturing process, we have total control of supply chain challenges, quality control, paint processes and more. This allows us to provide higher quality pole solutions in a much faster timeline and at lower costs. In many cases we can provide product as low as 20 days from order.

## Why choose Aluminum for your next pole project?

Industry's best lead times – as low as 20 days

Wide breadth of styles in portfolio

Single source for poles, arms, bollards and luminaires

Superior quality control and paint matching

Cost-competitive solutions to fit your budget

## Typical Applications

Downtown Streets

Residential Streets

Boulevards

Walkways

Campuses

Public Parks

Parking Lots

# The Rapid Ship Poles program provides quick solutions for urgent needs

Select cast aluminum poles are now offered with 20-workday lead times

Choosing from the list below you can expedite your pole order and get your project underway much faster than anyone in the industry. Most suppliers in the industry are offering lead times in excess of eight weeks. By choosing poles in the Rapid Ship Poles program from Holophane you can get lead times of 20 days, sometimes even less. So, whether it's a new installation or replacing knock-down poles, we can get you a solution for your urgent needs faster than you can say Rapid Ship!
