

## Juno® FMLR Round Flush Mount

### Multi-Functional, Low Cost, DIY Friendly

The FMLR Round Indoor Flush Mount comes in 11" size and provides a modern aesthetic, at a low cost, with an easy installation, perfect for both contractors and DIYers. The FMLR ships as matte white but includes a black interchangeable trim in the package to bring a design element to match with any desired aesthetic. Additionally, the FMLR features a switch directly on the product that allows you to choose your desired color temperature. During install, simply toggle the switch to choose between 2700K (Soft White); 3000K (Warm White); 3500K (Neutral White); 4000K (Cool White); or 5000K (Daylight) to customize your lighting. The FMLR is ideal for foyers, hallways, bedrooms, bathrooms, stairways, utility rooms and others.

#### Features include:

- **Easy Installation** – Easily installs directly into new or existing industry standard junction boxes.
- **Multi-Functional** – Features a switch that allows you to change color temperature from 2700K (soft white) up to 5000K (daylight), dimming down to 10%, plus the black interchangeable trim ring.
- **Available** – Inventory available through your preferred authorized distributor or retailer. For larger projects, we have products in stock and available for same-day shipments from our North American distribution centers.
