

ACULUX®

AX2

2" Precision
Recessed Luminaires

Aculux® AX2: Compact Elegance

A compact 2-inch recessed luminaire that over delivers. With 1500 delivered lumens and adjustability usually associated with much larger apertures, this compact wonder ensures ample illumination while keeping ceilings quiet and elegant.

Advanced LED Light Engine

- Superb color consistency (2-step binning)
- 4 CCT's to choose from; 2700K, 3000K, 3500K or 4000K
- 80+ CRI Standard, 90+ CRI available for 2700K and 3000K

Spot On! Industry Leading Beam Control

- Field interchangeable LED optics (15° to 60° FWHM)
- Clean, striation-free beams

Optimized Center Beam Optics

- Maximizes light output when LED optic is aimed off nadir
- Eliminates glare at any aiming angle

Acu-Aim™ Precision Geared Aiming

- Provides pinpoint accurate aiming
- 365°+ gear rotation eliminates dead spots
- Precision, gear-driven, vertical adjustment up to 40° is smooth and effortless with the turn of a screwdriver

Pinpoint Accuracy

Patented Tru-Line™ simplifies every aspect of installation and maintenance. Misaligned housings can be made right with a simple turn of a screwdriver, ensuring perfect fixture-to-fixture alignment.

Pro-VI™ Bar Hangers

Enables installer to accurately align fixtures during initial installation.

Patented Aperture Translation

Permits +/- 1/2" translation adjustment to ensure fixture-to-fixture alignment.

Square-Aperture Rotation

Square apertures can be rotated up to 90° to help align the fixture.

Comprehensive 2" LED Family Offering

Available in Round & Square Apertures in Universal (Adjustable, Downlight & Wall Wash), Remodel Universal and Fixed Downlight luminaires as well as Square Multi-Head luminaires

Aculux is precision defined...

Aculux precision luminaires have a well-deserved reputation for quality and innovation in the world of architectural lighting. They were among the first to offer discreet LED recessed adjustables featuring precision geared aiming and field interchangeable optics. Aculux precision recessed luminaires have always led the industry, delivering the highest center beam candlepower and lumens from smaller apertures while maintaining quiet ceilings that blend seamlessly into the architecture. Designed and engineered specifically for residential, hospitality, and corporate interiors, Aculux provides a touch of elegance and sophistication that lights up a room.
