## Solid-state for surgical suites.

The high-performing EVO Surgical downlight applies precision engineering to specialty healthcare applications. Reliability is of the utmost importance, and EVO Surgical meets the stringent specifications for this critical environment.

- **ROOM-SIDE ENCLOSURE:** IP66 room-side rating ensures ingress protection to the ceiling and protects from high pressure water spray and vapor.
- **CODE COMPLIANT:** NSF2 Non-Food/Splash Zone and MIL-STD-461F compliant for EMI to meet rigorous standards.

- **CONTROL:** Consistent operation and performance to 1% dimming. Flexible dimming installation, with drivers enabled for 0-10V, and DALI. nLight-enabled options are also available.
- **ADDED PROTECTION:** Antimicrobial finish inhibits the growth of microorganisms, such as bacteria, viruses, fungi, algae, mold and mildew.
- **CONSTANT POWER:** Compatible with generator backup devices or can be factory-supplied with an emergency battery pack.

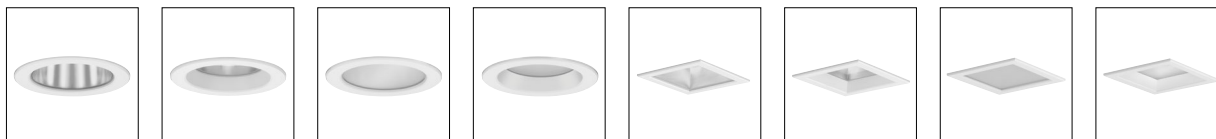

## 4" &amp; 6" SURGICAL DOWNLIGHTS

EVO6SQSG

- **DELIVERED LUMENS** — 1000 up to 4000
- **COLOR TEMPERATURES** — 2700K, 3000K, 3500K, 4000K
