

E V O™

4" & 6" PATIENT ROOM DOWNLIGHTS

gotham®

EVO4P

Downlight

Evo Distributions

Solid-state for patient rooms.

The high-performing Evo Patient Room downlight applies precision engineering to specialty healthcare applications. Reliability is of the utmost importance, and Evo Patient Room downlight meets the stringent specifications for this critical environment.

- **ROOM-SIDE ENCLOSURE:** NSF2 Non-Food/Splash Zone and IP66 room-side rating ensures ingress protection to the ceiling and protects from high pressure water spray and vapor.

- **CONTROL:** Consistent operation and performance to 1% dimming. Flexible dimming installation, with drivers enabled for 0-10V and DALI, plus an nLight enabled option.
- **ADDED PROTECTION:** Antimicrobial finish inhibits the growth of microorganisms, such as bacteria, viruses, fungi, algae, mold and mildew.
- **CONSTANT POWER:** Compatible with generator backup devices or can be factory-supplied with an emergency battery pack.

EVO6SQP

4" & 6" PATIENT ROOM DOWNLIGHTS

- **DELIVERED LUMENS** — 1000 up to 4000
- **COLOR TEMPERATURES** — 2700K, 3000K, 3500K, 4000K
- **EMERGENCY BACKUP** — Battery pack with remote test switch or generator transfer device options available
- **CONTROL PERFORMANCE** — 0-10V dimming to 10%, 1% or less than 1% and DALI, and nLight enabled options
- **CRI** — 85 typical, 90+ CRI option available
- **APERTURES** — Round & Square, Antimicrobial Finish
