

# Experience the New Standard for Linear Lighting

**4750L** – The Next Generation of Exterior Luminaires

## With an Artist's Touch – Anything is Possible

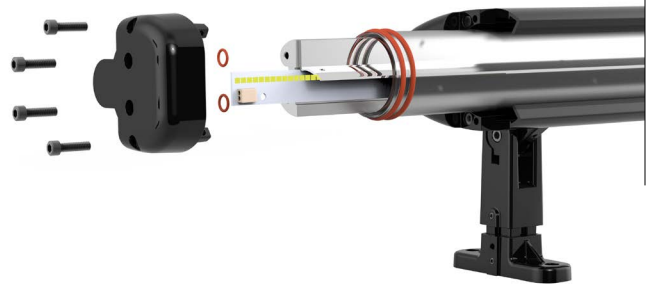

The 4750L is an outdoor linear flood capable of sophisticated or dramatic touches of light to accent your environment. This high performance luminaire has bold, even illumination perfect for building exteriors or to create colorful expressions of light. With exciting, dynamic features once reserved for niche applications, you can now transform your outdoor spaces with Static White, Tunable White and RGBW options.

**The 4750L is the new standard of linear lighting!**
